This total includes your scheduled payments and any cash down, net cap cost reduction, or positive trade-in equity applied to this deal. The specific amounts are shown in your deal terms above. Your actual total may differ if these amounts change. Any add-on product or service listed on this document, including but not limited to vehicle protection plans, service contracts, theft deterrent products, surface protection products, and guaranteed asset protection (GAP) waivers, is not required to purchase or lease the vehicle. The consumer may purchase or lease the vehicle without any add-on product or service. This does not apply to equipment already installed on the vehicle and included in the advertised total price. Lower monthly payments often mean higher total costs for buying or leasing a vehicle. Longer terms reduce payments but increase interest or charges overall. Always compare total amounts, not just monthly payments. This disclosure is provided in accordance with California CARS Act, Civil Code § 1784.41(d).
